

Map to Brooks Field and Sadowski Field House from Wilson Gate*

Sadowski Field House is located on Wilson Road on the right-hand side of the road (just past Ireland Army Hospital and across the street if you entered from Wilson gate). The field house itself is yellow and sits on the crest of the hill on the right.

(Brooks Field) When you enter Fort Knox thru Wilson Gate you will continue down Wilson Rd and take a left at the Shoppette (gas station) and the Ireland Army Hospital will be on the right side of the road when you turn onto Spearhead Division Ave. Turn right on 1st Cav. Regt. Rd. Then turn onto Sixth Ave. Brooks Field is located on the right and Garrison is on your left.

As a secure Army post, please allow ample time for security checks (valid photo ID and vehicle inspections), arrival (locating the proper place) and parking. A valid photo ID includes any U.S. driver's license or a U.S. State Department recognized passport, for non-U.S. citizens. Children or adolescents who are not old enough to possess a driver's license (according to your state law) do not need to present a photo ID. Please have a current and accurate vehicle registration information on-hand. All entry points to Fort Knox can be accessed via U.S. Highway 31W.
